

Library and Information Service

Introduction to the Library for people with learning disabilities.

Libraries are more than places for borrowing books. Do you have a learning disability? Would you like to find out more about what happens at your local library?

Libraries across Lancashire are offering introductions to the library service. Library staff will welcome you and show you round the library. They will tell you about the things you can do at the library.

Borrow books - we have easy read books at the library. The library has a lots of music CDs and films on DVD. You can borrow CDs and DVDs just like you can borrow books.

Computers - use our computers and explore the Internet.

Find out about things that are happening in your community.

It is a safe and friendly place to meet your friends.

You can do all these things and more at your local library. Why not book an introduction to the library? Our friendly staff will be pleased to welcome you and show you around.

To book your introduction to the library just give us a ring.

Hazel Becker, Leyland Library
01772 432804

Hazel will arrange a time that suits you to come and find out all the things your local library can do for you.
